

## Robinhood Crypto Web Disclosures

The Robinhood Crypto product features provided through [www.robinhood.com](https://www.robinhood.com) are meant for informational purposes only and are not intended to serve as a recommendation to a customer to buy or sell any cryptocurrency in their Robinhood Crypto account, or any other account. Third-party information provided for Robinhood product features do not reflect the views of Robinhood Markets, Inc., Robinhood Crypto, LLC, or any of their subsidiaries or affiliates.

Trading in cryptocurrencies comes with significant risks, including volatile market price swings or flash crashes, market manipulation, and cybersecurity risks. In addition, cryptocurrency markets and exchanges are not regulated with the same controls or customer protections available in equity, option, futures, or foreign exchange investing. Please see the [Robinhood Crypto Risk Disclosures](#) to learn more.

See <https://about.robinhood.com/legal> for the full disclosure library.

### News Feature

The Robinhood website filters news from a variety of sources. News articles selected for display may depend on your portfolio and watchlist. Information presented may be provided by multiple sources, including third parties. Robinhood does not guarantee the accuracy, timeliness or completeness of any third-party information.

### About Feature

Information provided in the "About" section of an individual cryptocurrency web page may be collected from third-party sources. Robinhood does not guarantee the accuracy, timeliness or completeness of any third-party information.
